

Air-1 Radio (90.1 FM) has been an important part of my everyday life, as I listen to it while driving around my community and to work. It acts as a positive, clean radio station that upholds moral values, something kids desperately need. LPFM would disturb our ability to listen to this station and allow other stations to intrude on the airwaves currently being used by Air-1. This radio station has been a positive influence on myself and others in my community, please do not allow this station to be hindered in its mission.
